HOW TO CAPTURE A WINNING PHOTO

MONTANA

The winning photo of 2018, *Breakfast Banana Split* from Darby Schools, shows a school breakfast that is unique, fresh, healthy, and beautiful!

Tip #1

Keep the food the main focus of the image.

Tip #2

Emphasize fresh, colorful, and minimally processed foods.

Tip #3

Make sure the food looks attractive and appetizing - no dirty dishes or partially eaten food. Keep in mind how the food is displayed.

Tip #4

Be creative and consider showcasing the food in different stages, from preparation in the kitchen to being eaten and enjoyed.

Tip #5

Image quality is important! Make sure your photo has adequate lighting, good color balance, nice composition, and is not blurry or grainy.
