BREAKFAST AFTER THE BELL GRANT OPPORTUNITY

Grants are available to schools implementing new breakfast programs or transitioning to an alternative breakfast model like *Breakfast in the Classroom* or *Grab and Go* to increase participation in school meals.

Schools can receive up to **\$5,000** to help with the purchase of equipment, supplies, technology, or promotional materials needed to get a Breakfast After the Bell program up and running.

➔ APPLICATIONS ACCEPTED THROUGH
OCTOBER 25, 2019

Montana No Kid Hungry has already awarded nearly \$439,000 in *Breakfast After the Bell* grants to 114 schools across the state. As a result, Montana teachers are seeing increased student engagement and more positive classroom environments with a focus on social-emotional learning. Kids who eat breakfast every day have improved cognition, get better grades, and are less likely to be tardy or absent.
