

SUMMER YOUTH EMPLOYMENT PROGRAMS

ELEVATE YOUR SUMMER FOOD SERVICE PROGRAM BY INVOLVING TEENS. STAND OUT BY USING THIS INNOVATIVE AND LEADING-EDGE SOLUTION TO INCREASE PARTICIPATION AND REACH MORE KIDS WITH A MEAL.

MORE THAN MEALS

Offer a youth employment program at your summer meal site to attract more teens to participate.

Give teens a small stipend for working at the site throughout the summer as an activities leader, nutrition assistant, or marketing intern.

Stipends can be as little as \$100/month per teen.

HOW IT HELPS TEENS

Teens build leadership skills, gain positive work experience, and are empowered to make a difference in their communities.

Summer meal sites provide a schedule that is easy for teens to integrate into their day.

Youth workers are still eligible to receive a meal.

NO KID HUNGRY CAN PROVIDE A GRANT TO FUND STIPENDS FOR YOUR TEENS!
